7Flex® Single & Dual Arm Monitor Supports accommodate a wide range of monitors.

The **7Flex Monitor Arm** suspends your flat panel monitor above the work surface. Move the monitor precisely where you need it, and move it out of the way when not in use.

7FLEX Single Arm Monitor Support

- Extends up to 24", with just 16" of vertical range and folds up to occupy just 3" of space
- Tilt monitor up to 200°
- Rotates 360° at 3 joints
- Takes up only 3.5" of space when folded up
- Integrated cable management system keeps your work surface free of cable clutter
- VESA monitor compatible 75mm and 100mm VESA adapters included
- 6 mounting options, including desk clamp and thru-desk and wall mounting
- Made of sturdy cast aluminum
- Weight capacity: 15-17 lbs

The **7Flex Dual Monitor Arm**. Now you can mount two monitors from one point on your desk. Effortlessly re-position each monitor with just one hand. You will free up desk space, even as you work in greater ergonomic comfort. The dual mount can be clamped to desk edge or grommet, or bolted through the desk.

7FLEX Dual Arm Monitor Support
